Membership Application

Spring 2016

What is the Teen Advisory Council?

The Teen Advisory Council is a leadership group that comes together to work as one. As a group, we value leadership and respect, and foster a safe environment where teens can express themselves and their ideas, all while reinforcing the mission of Building Twentyone. The T.A.C. is comprised of responsible 9th to 12th graders that work to support programs, curate events, and act as youth advisors to the Board of Directors.

TAC meets every Tuesday from 4-5pm
